How is it the end of May already? It seems like just yesterday we were sending our kiddos off to start the school year!

Cissna Park Schools has had an incredible year filled with new staff members, happy students, and a bunch of exciting things. We've done a lot of learning, played a lot of sports, and had fun with friends during the 2022-2023 school year.

As we draw this year to a close, we want to once again thank all of the teachers, staff, and administration for their efforts to make this year such a great one. Your hard work does not go unnoticed and you are the heartbeat of our little school!

A big congratulations to the Class of 2023 as well! You have done well in your years at Cissna Park Schools and we are so proud of you!

We hope that you and your family have a very safe and fun summer break! Rest up, enjoy the sunshine, and have a blast!

We'll see you in August!

Big School Board Changes This Year

After the fall election, our community chose to change the style of how school board members are elected. Instead of having a limit of school board members from each township, school board members are now voted on at large. This change required that all 7 of the school board members be re-elected this past April.

Jason Edelman, Brent Neukomm, and Kristina Phelan chose to run again for the school board. Beth Dodd was elected on the April ballot and Trent Kaeb was appointed to the board soon thereafter.

Phelan was appointed President and Neukomm was appointed Vice President. At the May school board meeting, we appointed Bret Neukomm and Tori Legan to the board as well.

Bud Petry, Mark Wilkening, Michael Kaeb, and Rachel Hurliman retired from the board and we are so thankful to them for their commitment to our school! Please thank them when you see them next for their efforts to better Cissna Park Schools over the years!

Have a Safe Summer!!!

Summer Project: Library A/C Update

We will be installing a new ventilation system in the library this summer. This means that there could be some hot days in the library while we make the change. Please be patient with us as we give our beloved library this "cool" new update!

Wishing You the Best!

Mr. Portwood, Mrs. Rueb, and Ms. Denault will be retiring this year and we wish them the best! We will also miss Ms. Chrastka as the Junior High math teacher. Thank you for your dedication and years of service to our school! You are so very appreciated!
